ELEMENTS

Donnaoro Elements è un bracciale componibile dall'eleganza distinta come la persona che lo indossa. Luminosi punti luce, lettere dell'alfabeto passando per i simboli che raccontano una vita, sono gli elementi per creare questo gioiello. È il componibile perfetto per ogni momento e per ogni occasione di regalo dove la fantasia e l'immaginazione si incontrano per creare un prezioso tailor - made.

PREZIOSO

Sobrio e con il suo design minimal ed elegante, è estremamente di classe nella sua semplicità. Composto da una fila ininterrotta di diamanti o altre pietre preziose a seconda dei gusti e dello stile personale.

SINGOLARE

Luminoso e raffinato, di grande stile ed eleganza, un bracciale con lettere e numeri è un gioiello intramontabile che parla della persona che lo indossa. Un linguaggio universale e atemporale che custodisce il codice intimo di un sentimento profondo.

FANTASIOSO

Un bracciale componibile da arricchire con creazioni per ricordare ogni momento speciale, è qualcosa che ogni donna desidera.

Una collezione molto variegata di preziosi iconici che parlano delle passioni, dei gusti, dei desideri dove è possibile sognare.

ELEMENTS

Come scintille preziose, attraggono l'attenzione
e la conducono ai dettagli più eleganti e personali.

Il colore svela il gusto e il carattere, le forme li esaltano.

Una sorta di magia, che si riflette sul corpo e affascina chi la guarda.

Una piccola finestra sul mondo che fa entrare la bellezza,
grazie a un raggio di sole. E la diffonde in Mille Luci.

Mille Luci

I diamanti sono i migliori
amici di una donna.

appassiona ed arricchisce la vita.

È il sentimento che tiene viva una persona e che muove il mondo.

Quando si ama una persona questa diventa il suo punto di riferimento
perché amare è una vera e propria forma d'arte
e non c'è cosa più bella e meravigliosa nel farlo.

La famiglia è la fonte di calore in cui si formano i valori di ogni giorno,
dove si modella il modo di sentire rappresentato dai tanti legami.

Perché una delle principali caratteristiche della famiglia
è il sostegno incondizionato, l'affetto e l'amore che vi si respira.

È l'atmosfera dolce della casa in cui ci rifugiamo
e dei cuori che intendiamo proteggere per sempre.

Persempre

Ho sempre pensato che
non v'è nessuna felicità maggiore
di quella della famiglia.

I simboli sono dei mezzi di riconoscimento che richiamano una passione,
un desiderio, un modo di volersi esprimere.
Segni evocativi che raccontano una storia attraverso significati aggiuntivi.

Alcune icone rappresentano concetti chiari,
mentre altre nascondono spesso dei concetti
più profondi o collegati alle proprie esperienze di vita.

La fortuna ci accompagna in ogni momento della vita con gioia e felicità che grazie a degli amuleti preservano la nostra buona sorte.

Tutti i segni zodiacali, il quadrifoglio e il colpo d'occhio hanno una componente legata alla fortuna che scende in campo al nostro fianco.

Amuleti

Se potessi, mi piacerebbe scrivere
un enorme enciclopedia
riguardante solo le parole fortuna e coincidenza.

Il bracciale significa abbraccio, legame
e fa riferimento con la sua circolarità all'evoluzione e alla continuità di una relazione.

Morbidi o rigidi in oro o argento,
sono il punto di partenza per impreziosire con i tanti elementi
il gioiello arricchendolo anche con i diversi complementi.

Complementi e bracciali

La vita, per compiersi,
ha bisogno non della perfezione,
ma della completezza.

(Carl Gustav Jung)
